Re: Response to Your Letter Regarding "Action Plan Update Related to FAA Aviation Fuel tax Policy Amendment"

Dear Mr. Willis:

The City of Forest Park, Georgia is in receipt of your letter referencing "Action Plan Update in Response to FAA Aviation Fuel Tax Policy Amendment" in which you discuss Georgia state law and inquire as to the status of collection and use of tax revenue on avgas. The State of Georgia Department of Revenue collects and distributes all of the local sales taxes in Clayton County and other counties in Georgia. Those tax collections are comingled and not identified by source of commodity by the state when distributed. The State of Georgia Department of Revenue and Department of Transportation can advise you further regarding the matter of taxation of avgas in Georgia.

Sincerely,

Interim City Manager, Shalonda Brown
